Search Tips:

Searching by a “Code” will return matches that *start with* whatever you type in that field.

Example for Service Code Field: “330”

Returns the following matches among others: 33010 – Drainage of Heart Sac, 33011 – Repeat Drainage of Heart Sac, 33015 – Incision of Heart Sac

Searching by a “description,” returns matches that *contain* whatever you type in that field.

Example for Procedure Code Description Field: “Office Visit”

Returns many matches including: “Office Visit, New, Brief,” “Office Visit Limited,” and “PostPartum Follow-Up Office Visit.”

5. Click on the link (blue underlined procedure code number) of your selection.
 - If additional matches are supplied, view them on the next page by:
Clicking the “Next Records” link OR clicking the “Prev Records” link.
 - You may click the “Back” button to return to the Search-Procedure Code page.
